After reading the above comments, there isnt any valid reason that we shouldnt be supporting a young member of the village in building his own house. The Saxons have been part of Foxt village for many years and have always farmed the land here.

The property will have its own drive and own amenities as per the application, after farming the land alongside Mr Saxon, we are fully aware that the track to Mr Saxons field is from the main Foxt Road and is not privately owned.

If we turn young people away from our village, how will it survive?

How can the village progress?

Alex wants to build his home and continue to be a part of the village - no reasons above show of any reasons that this shouldnt be supported.
