Submission: Support

Comments: On the behalf of Checkley Cricket Club I wish to support the planning application for the development of farmland at The Keys , Lower Tean. Farming is becoming increasingly unsustainable and land given over to the clean generation of electricity in the area will benefit all. It will help to meet any local or national targets for green energy in an increasingly low-carbon economy. As an active member of Checkley Cricket Club, in particular its junior section, I can see the benefits that financial help will bring to local sport, in particular cricket, at all age groups and levels of the game, as well as the revenue from business rates for the council. Our plans to expand the provision of women's cricket at the club will be greatly enhanced. Please look favourably on this planning application.
