Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

We believe that the proposed conversion of the detached domestic garage and store into a ground floor level ancillary annex accommodation to the main dwelling including the construction of an open porch outside the entrance door would not require planning permission. Now that drawings have been prepared, we wish to apply for written confirmation that the proposals do not require planning permission.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
