Dear Chris,

Rights of Way

We are unable to comment on this application as, although the applicant has indicated that there are rights of way crossing the application site, they are shown incorrectly on the plans and/or incorrectly described in the documents.

Please can you respond to the applicant requesting the rights of way information is corrected so we may in turn, provide an appropriate response to their proposal?

The correct alignment of the rights of way may be seen on our online web map here:

Kind Regards,
