Comments: I am objecting to the said planning application basically for the reasons I give.

The traffic by the scout hut is terrible and more vehicles stopping to turn in will definately make it worse! Caverswall road has many near misses at this junction! I myself have been in a collision here when someone ran in the back of me not realising there is a give way sign

The fact dogs will be running around loose will spook the horses in the next field making it unsafe to ride when the dogs are in there! Also we have walked our dogs past and when the dogs have been there they have spooked our dogs making them all bark!

There is also a dog training/ walking area close by at salters lane Werrington to let your dogs have excercise
