Good Afternoon

The Parish Council considered this application at the meeting on the evening of the 24th and decided that a site visit would be necessary to make a final decision. The council therefore would like an extension to the date for submitting their decision.

The site visit is scheduled for next Wednesday and the decision of the council will be forwarded as soon as possible after that meeting.

I hope this will be in order

Judith Ward
Clerk

On Behalf of Ipstones Parish Council

Please note I work Part time hours and therefore my response time may be slightly longer and may be out of normal hours, though I do not expect a response from you outside of your normal hours
