Comments: Whilst I understand the need for more housing, I bought a new property last year, there is a need for more infrastructure in the town. With 215 more houses you are looking about 400-600 more people. We need you to build schools, doctors, invest in the high Street, dentists ect. At the moment you cannot get a doctors appointment for over 2 weeks. I haven't been able to see a dentist since 2018 because nobody is taking NHS on and I can't afford to pay for private. I've lived in cheadle all my life and love the town. It needs you to love us and invest in us, support us.
