Comments: The infrastructure in Cheadle doesn't exist to cater for 215 more houses, there aren't enough GP appointments for current residents so where do you think these extra people are going to go? Froghall Road can't cope with any more traffic, Cheadle town centre is often snarled up and finally it's a travesty to pave over more of our beautiful countryside, driving out already endangered wildlife ! There are plenty of brown field sites to build on.
