Application Reference No. : SMD/2023/0147 Site Address: New Inn Leek Road Longsdon Staffordshire ST9 9QF
Stoke-On-Trent Comments by: Richard Lovell
From:

Leek Rd,
Longsdon
Stoke - on -Trent

Submission: Neither

Comments: Although I am Vice Chairman of Longsdon Parish Council , these comments are made in a purely personal capacity ,not as a Parish Councillor. The old New Inn site has been an eyesore for over a decade. This application , I believe, solves several problems. Its demolition and the proposed development would vastly improve the road safety situation at this junction. Our house is the closest to this site and over the years we have seen many   minor  accidents at this junction, the relative low number of personal injuries is due mainly to improved vehicle safety measures.

I believe this development would be an asset to the area , with the added bonus of the equivalent of 50 full time jobs.

I urge approval of this application, with the proviso of if approved the SMDC insist on a very early start and prompt completion of this project ,as previous applications have been passed but not proceeded with , resulting in the current state of the building.
