Submission: Objection

Comments: We do not need anymore houses or silly roundabouts on an already busy and fast road sixty mile an hour road then right down to 30 then an impending roundabout what next eh .there's far to much traffic already up and down Froghall road at any time of the day and more houses and cars has a massive effect on the local infrastructure and roads ie again schools doctors dentists .not to mention more pollution and if they say well only build 100 homes same problem exists so we say stop this development now
