Submission: Objection

Comments: As a local resident for the past 25 years, I have witnessed many new properties built which in turn increases the town population and volume of cars in and around our area. I haven't however seen any new schools built or any upgrade to our failing road network. Cheadle is a bottle neck at the best of times with Alton Towers and JCB traffic, please don't give us any more to contend with by creating more housing.
