Submission: Objection

Comments: We live on Froghall Road and strongly object to the proposed buildings behind for the following reasons:

- * it's green field which occupies various wildlife which will be lost.
- * this will block the sunlight that comes in to our back gardens.
- * we will lose the privacy in our garden.
- * additional pollution with the vast amount of additional vehicles.
- * already restricted with school, dentist, doctors spaces etc.
- * additional traffic congestion to an already busy town.
- * a massive conflict between both Cheadle and Kingsley parishes.
- * we can already wait up to 5 minutes to get out of our drive, this will be worse if we have additional traffic from Shaw Park Road into Cheadle.

If you really care about the future, leave our town alone for our children and the wildlife.

Many thanks for listening.
