Comments: I've lived here since I was 3. I bought the house from my mum. I appreciate that times cannot stand still, but I'm concerned with the fact that we already have hundreds of homes being built by Persimmon just down the road, with the loss of green fields that I've known all my life and now we stand the chance of losing them on the other side.

I work in one of the local primary schools and know that we are full to capacity already before the ready to go new builds are built. The road is dangerous to walk down with young children. There's no Dr appointments, no nhs dentist appointments. Crime in the town is awful and there's no local police available when we have had to call 999. Our ambulance station was closed and our fire service is part time.

The infrastructure needs to be updated before anymore homes are allowed.
