Submission: Objection

Comments: Cheadle town, can not cope with more houses the schools, the doctors, dentist can not cope as it is. The road infrastructure is diabolical. Living on Froghall Road, its hard enough getting in and out of our own drive way. The flow of traffic and the speed in which the vehicles speed along this road, theres a serious accident waiting to happen. More traffic is going to make this situation much worse. The land in question is farm land and should be kept that way. There are hundreds of new houses being built in and around Cheadle which are still for sale and others still only partially built. We dont need more houses. The market town of Cheadle can not cope now let alone with more houses. The entrance to these houses is a death trap. The amount of vehicles that speed arpun d that bend, its just not feasible. The roads are in an unkept state as it is. You have a job to get out at the top of froghall Road with the amount of traffic.
