Submission: Objection
Comments: SMD/2021/0610.

There's over 115 objections to this proposed development, please listen to the people of Cheadle!!.

The road system of Cheadle just cannot take anymore especially north of Tape Street & High Street, Tape Street is also called the bottleneck & for good reason, as all traffic north of this Street has to come through it causing gridlock every single day, more housing in Cheadle North East will just increase this gridlock making it harder for everyone.

The so called Bloor Homes Gateway roundabout is disgusting & needs Rejecting immediately as it will be nothing but a death trap, also the houses are in the wrong location, what about the current residents privacy? & a long list of other issues.

Infrastructure & Facilities are all at breaking point, it's next to impossible to get a appointment to see your doctor, dentists will only see you if you go private as there as been no NHS places since 2018 maybe longer, schools just cannot take anymore as class sizes are getting close to max capacity, next to zero employment opportunities in the area, hardly any shops anymore, nothing for people of all ages to do, no market for years, basically the town just cannot cope with anymore & it's just been bombarded by developers who offer nothing to help the town.

Public health and safety is getting worse with narrow pavements, vehicles speeding, running red lights at crossings it's only a matter of time before someone gets seriously hurt or even killed, pollution is on the increase especially on Butlers Hill ect it's not fair on those who have to walk into town due to a very poor & unreliable bus service.

Also a very long list of other issues, see over 115 other people's objections, so please listen to the people of Cheadle & REJECT/REFUSE this proposed development.

On behalf of Mr P & Mrs M Snowdon. By Mr J Simms. Hammersley Hayes, Froghall Rd, Cheadle North East.
