Submission: Neither

Comments: Plot 1 as stated in 2022 is part on my land and part of boundary hedge being removed - there has been no contact from the developers.

In a previous proposal the developers outlined any effect the development would have on the community.

There is a proposal to remove 200 mtrs of hedge and widen the path - not seen how the developers propose to do this work and how it will effect the community an local business and how long it will take to complete as the path to Lower Tean will not be available plus moving electricity cables, removing and digging out the path without access to adjoining land
