Email:

Submission: Objection

Comments: I can't believe this application is being considered again . There is already problems trying to get into Cheadle from Kingsley Holt because of the amount of traffic at certain times of the day. I understand that the number of new homes for this parish has already been exceeded and feel there is no infrastructure in place to support application - roads (in regards to safety for drivers and pedestrians) as due to situation of purposed site it will present a serious road safety risk due to access and also as most people will have to drive to get to there destinations eg schools, drs and dentists
