Comments: I live on Froghall Road below where the proposed development is to be located. At present there is a heavy flow of traffic down past my house which is a nightmare to get off my drive, exacerbated by the recent housing development at Pottery Gardens. The introduction of a further 200+ houses is not acceptable. The current speed limit of 30 mph is ignored by many vehicles and presents a further issue for those of us living on Froghall Road. Quite often there is a bottleneck getting from Froghall Road to Leek Road with traffic travelling into Cheadle, with cars and heavy vehicles, the JCB factory and traffic for Alton Towers also has a negative impact. I oppose the further development.
