Submission: Objection

Comments: I do not agree with the plans of the 200+ development off Froghall Road. It will cause us serious safety issues trying to exit from Hammersley Hayes road. Noise from playing fields and being overlooked from housing development and roads. Children will be gathering around at night causing noise and disturbance. We are a retirement site for older residents and this is very worrying. The green country side is disappearing where we should be saving green spaces. We haven't got enough facilities for residents now!! Doctors, schools etc so what would happen if this goes ahead without these being put in place first? Mrs R Green.
