SMD/2023/0244 - Proposed demolition of existing garage and erection of ancillary living accommodation at Cherry Orchard, Ball Lane, Brown Edge, Staffordshire, ST6 8SW.

In conclusion the proposal as an annex for a required family use would in principle constitute allowable development in the green belt and while the design is uninspiring and not reflecting characteristics of the original dwelling its size, height and location raises **no obvious planning objection.**

Dennis Boulton, Clerk, Endon with Stanley Parish Council
