Re: Saxon's Croft, Charles Knowle Lane, Rushton Spencer, SK110RB

This is to inform you that my late husband and I moved to Saxon's Croft in August 2001 and we lived there until May 2016.

During that time there was a caravan permanently sited on the small field immediately opposite the entrance to Saxon's Croft. In the early years the caravan was used from time to time for short stay holidays.
