Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015

REFUSAL OF PLANNING PERMISSION

Location of Development:
Cherrywood Stanley Road Stockton Brook Staffordshire ST9 9LL

Description of Development:
Single storey side extension and raising of garage roof to create home office space

Staffordshire Moorlands District Council in pursuance of powers under the above mentioned Act hereby **REFUSE** to permit the development described above in accordance with plans ref: JM001, JM002, JM003, JM004, JM005, JM006 and JM007 for the reason(s) specified below:-

1. The site lies within the green belt whereby paragraph 147 of the NPPF identifies that inappropriate development is , by definition, considered to be harmful to the Green Belt and should not be approved except in very special circumstances. The proposed extension extends beyond the curtilage of the dwelling, and therefore encroaches into the Green Belt causing harm to openness. Moreover, the proposed extension when combined with the existing extension would amount to a disproportionate addition over and above the size of the original dwelling. There are no considerations which would amount to very special circumstances that would clearly outweigh the harm to the Green Belt or any other harms resulting from the development. The development would therefore conflict with the terms of the National Planning Policy Framework and Policy SS10 of the Staffordshire Moorlands Local Plan 2020.

Informatives

1. It is considered that the proposals are unsustainable and do not conform with the provisions of the NPPF. As the principle of development was not considered to be acceptable, no revisions or amendments have been suggested, in accordance with

NOTES

1. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

1. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

2. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

3. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

4. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

5. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

6. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
