Comments: Dear Sir/Madam, I have lived in Portland Street South since 1968 and love been here. The two mills nearby on the Ashbourne Road have been eyesores for many years. My personal view is to knock down thr Mill been considered for renovation. However,that looks unlikely. Based on the application and no car parking in the plans,the potential increase of more vehicles using side streets is silly. I struggle many times to park and often cannot park in the Street I live in. Shame the other disused Mill cannot be converted into a car park to assist. I am against the plan based on the car parking. Thank you for reading my views.
