Submission: Objection

Comments: I object to the planning of these flats on the basis of there is no parking provided for the residents.

It is unacceptable to state that there is on street parking. All the streets locally are totally full all the time.

Parking in Wood Street opposite the proposed flats is a nightmare at present and cannot support anymore traffic and parking.

The fact that these proposed one bedroom flats could have two car owners resident would in total place an intolerable burden on the local residents.
