Leek

St13 6la

Submission: Neither

Comments: I have no objection in principle to this application as it is sad for this building to be left to deteriorate. I would object though if the applicant does not retain its integrity and destroys its appearance.

A major objection would also be if no parking provision is made. Parking in these streets is a real issue. I currently have problems getting a parking space outside my house, which is Ashbourne Road end of Portland Street, and further development would magnify this issue. If this is not taken into consideration then I would object to the proposal.

Leaving Well Street to go onto Ashbourne road is difficult and extra traffic would cause issues.
