Comments: I think Cheadle & the surrounding area has been spoilt enough. Building companies are not complying by the planning permissions, the area where I live has been totally spoilt with Pottery Gardens, we are overlooked, our privacy has gone, Persimmon said they were going to sort the lane out next to the new estate & have done nothing, they changed their plans from the original, built houses higher than specified & are getting away with it yet again, courtesy of SMDC!! So no, we don't want another horrendous estate ruining the countryside, the wildlife etc. It will look ghastly looking down from Hales Hall, at the moment there's a fantastic view. Plus the road infrastructure around Cheadle is not made for more houses, roads & cars. It's all about the ££££'s not the people of this town!!
