Details of the pre-application advice received

The proposals were refused for a Householder Notification Application for the same proposals. After the decision the case officer was asked about the same proposals but through a householder application where he responded he thinks the proposals might get planning permission if we were to reapply through a householder application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
