Dear Sir,

I am writing with regards to the planning application of Mr C Brennan. 306. Ash Bank road Warrington, application no SMD/2023/0426.

My husband and I are Mr+Mrs Brennans immediate neighbours to the rear of the property and would imagine are the only neighbours with a clear view of the back of 306 Ash bank road and only from a rear bedroom window. and can see nothing of the property from our garden.

We would therefore like it known that we both support the application and have no objections to the balcony and elevational alterations.

Yours Sincerely
