Submission: Objection

Comments: Object to planning application on the Aldi store due to the lack of adequate road infrastructure.

Access to the site from the A512 will create traffic chaos being located to an accident blackspot of the huntsman's crossroads and petrol station located almost opposite.

Access Brookhouse way for delivery's will block resident access from the residential estate.

The A512 will become congested with lots of residents not having drive ways and customers of Aldi will then use Glebe Road as a quick cut through. This will create more traffic in a quiet residential area, pollution, accidents and lower house prices.

There are no bus links for the residents of Cheadle to access and if there were it would create more traffic. Store needs to be centrally located in the main town so there is adequate access for all of Cheadle residents.
