Comments: There are too many houses on Brown Edge. This is not needed and it is solely being done for profit at the expense of the village. There are many bungalows on Brown Edge including some that have been up for sale for a long time. We do not need any more houses sitting empty because they were built for profit. The junction where these houses will be built is already very dangerous and narrow. There is also the issue of the parking. For this to be passed will show a total disregard for the safety and welling being of the village, the plot itself is absolutely tiny.
