Submission: Objection
Comments: I object to the application.

Greenbelt land is being destroyed in the SMDC area on an industrial scale from too many developments in the surrounding areas of Werrington and Cellerhead and the effect on local wildlife is profound, habitat is being destroyed, added to which the local infrastructure cannot cope with the already hugely overcrowded roads, careless parking, congestion in the area which cannot be altered due to the proximity of the Schools.

Cellarhead crossroads has waiting times up to 20 mins at busy times with traffic backing up as far as Moorville hall on a regular basis already and this development will only make things even worse.

These projects are increasing urban sprawl and there is increasingly no difference in the districts
of Staffordshire Moorlands and Stoke on trent.

The moorlands is losing its identity from greedy property developers and its time SMDC put a stop to these needless projects and stopped in their tracks unless it can be proved beyond doubt it will benefit the community and not line the pockets of unscrupulous individuals who move from place to place destroying the once beautiful countryside.
