Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The slurry store is to have a coned lid over the slurry store, opposed to a floating lid which was originally intended. This is to better meet the needs of the business and is a more efficient option in this location. There is also a very small change in the diameter of the slurry tower.

Please state why you wish to make this amendment

The amendment is a requirement of government backed grant funding, which the clients are using to finance the project. The change means it meets the requirements of the grant funding and is supported by DEFRA.
