Date: 28 November 2023 10:35:37

Dear Planning Support

Thank you for your consultation.

We advise that we do not appear to have recommended condition 19 be imposed on the decision notice for SMD/2022/0361. We therefore have no comments to make on this discharge of conditions application at this time.

We advise that if not already done so you should consult your LLFA with regards the discharging of this condition.

If, however you consider that it does require our comments, please come back to us via our Team email address specifying the criteria for your re-consultation.

Kind regards
Aileen
