Thank you for consulting us on this application for the Variation of Condition 1, relating to application SMD/2022/0464. Our response is detailed below.

Staffordshire County Council Flood Risk Management position

We have reviewed the submitted Site Plan (RLM/060/2 Revision M) against the Site Plan referenced in Condition 1 of the formerly approved application.

The latest revision of the Site Plan shows a revised layout of the 9 dwellings, however, there is a nominal affect upon the total amount of impermeable area. In line with our previous responses on the same site, we would not have any comments upon the layout and would not object to the variation of Condition 1 as proposed by the applicant.

Many thanks
