Submission: Objection

Comments: I object to the planning application SMD/2023/0611. The proposed development is situated in a rural area on top of a hill and it would negatively impact the countryside views and skyline when viewed from Oakwood Road and the Rudyard track. This will adversely affect both residents of Oakwood Road and also the many walkers and cyclists that visit the Rudyard track.

The proposed development would also cause privacy concerns as the house will overlook all houses in Oakwood Road. There would also be additional noise and light pollution in an area that is currently predominately countryside.

Kind regards

Anna and James
