Details of the pre-application advice received

Mr Thomas discussed the potential breach of planning control with the applicant and described the completed works as within permitted development rights except for the rendered finish, as the original property technically did not have render. It was pointed out that the local context and architecture on Patch Meadow Road has white render and that a retrospective planning application should be submitted.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
