Comments: I love this area and am extremely concerned about the multiple local developments attempting to be pushed through.

The developments are unsuitable to a greenbelt area. The size is disproportionate and I am extremely concerned that these developments aren't in line with expectations for greenbelt zones.

I am concerned about the impact on local houses and roads with large lorries coming along them.

I am concerned about the long term damage to our beautiful area, the visual impact will be huge.

I strongly feel this application should be rejected as not suitable for this area..
