Submission: Objection

Comments: I'm writing this on behalf of my 88 year old dad (Robert goring) who lives next door and has done for the past 50 + years. The planning permission that has been submitted for 54 froghall road she's 2 new build 4 bedroom houses squashed in leaving approximately 1 m gap between 56 froghall road which is totally unacceptable, this would block out light both into the bathroom and landing areas of the house and could potentially hinder future alterations of 56 froghall road. Sun light would also be cut out to the gardens. The submitted plans would be totally outfitting and look a mess we made no objections to the single dwelling that was submitted first as this would of been in fitting with the rest of the street and I believe but aren't 100% sure that stan clowes dad had a clause put on the land allowing only one property to be built.

All in all we strongly object to the submitted plans

Kind regards

Robert goring (Richard goring)
