Submission: Objection

Comments: I strongly object to this application as a local business man i support a lot of things in the town but this is not one of them ,we will lose all our privacy as the proposed property will be so elevated. This will reduce the value of our property so I would be looking for a reduction in my council tax bill. I have looked at the access road (monkhouse) it will be a nightmare getting all the buildings materials on site, plus all the noise & dust this will create.

Regards Mr&Mrs Griffin
