Dear Sir/ Madam

Re: Quarry Walk Park, Coppice Lane, Hollington, Staffordshire

We have been instructed by Quarry Walk Park Ltd to submit a retrospective application for the installation of a biomass boiler for a sustainable form of energy for Quarry Walk Park.

A previous application (SMD/2023/0171) was invalid and Bayon Architectural Technology has been instructed to prepare the necessary plans. The application, submitted via the planning portal, consists of the following:

- Application form;
- Location plan (drawing C619 BM1)
- Block Plan (drawing C619 BM1);
- Elevations, Plan and Site Plan (drawing C619 BM1); and,
- Biomass Boiler Specification.

We have nominated the applicant to pay the fee for the application. If you require anything further or would like to discuss the application, then please don't hesitate to contact me.

Yours sincerely
Emery Planning
