Subject: APPLICATION NUMBER SMD/2023/0657
Date: 08 January 2024 13:23:24

Good afternoon,

Application Number SMD/2023/0657

I wish to object to the proposed new residential development relating to land to the rear of 82-84 High Street, Cheadle under the above application number.

I have been in business on Church Street for over 40 years and seen traffic up and down this road increase considerably. Parking spaces are already at a premium on this road and there are insufficient parking spaces for the number of current residences, without more houses being built.

The road is quite narrow in places and often has traffic backed up waiting to pass - especially with the number of cars parked - and it is a concern already when emergency vehicles have to gain access; I fear further development would have a greater impact.

Yours sincerely

David Spooner
