Email:

Submission: Objection

Comments: How is the increased traffic in the location going to be addressed as the development is on a blind bend where cars park on a daily basis to collect children from local schools, there is no parking locally for parents to collect children safely.

Also each dwelling only has space for 1 car to park, at the the majority of properties in this area are 2 car families, if there is an increased number of residents would they be parking on an unlit dangerous section of clay lake.
