Fourways
Clay lake
Endon
Stoke-on-Trent
Staffordshire
ST9 9BT

Submission: Objection

Comments: I object to the planning application for the following reasons:-

Staffordshire Highways has surveyed volume and speed of traffic at the A53/ Clay Lake junction in December 2023 due to concerns regarding pedestrian and driver safety. Building 22 additional houses on Clay Lake will increase the danger to pupils walking to and from Brown Edge via Clay Lake to school at Endon High School. Pupils walking to and from School, who live in Brown Edge have to cross Clay Lake close to the entrance to the proposed housing development site. This is also the case for pedestrians. Any resident on Clay lake knows that vehicle access to their property on Clay Lake is dangerous now. This proposal will increase traffic volume and make vehicle access to properties even more dangerous.

The infrastructure for Village is already over stretched. An additional number of 22 houses will add to the strain.

The development of 22 houses at the Grange, Clay Lake is out of character with the area of Clay Lake and Stoney Lane, it will have a negative impact of the natural wildlife and habitat.

I therefore request the application be refused.
