Submission: Objection

Comments: I would like to object to this application for a few reasons.

This is a Green Belt area, there are kestrels, buzzards and even deer that are regularly in this area.

The dwellings would not be in keeping with the area.

The road is very narrow and not used very often by farm vehicles.

The area is not screened by shrubs, and would be in full view from my property, which is already obscured by a large supposedly sheep shed in the grounds of the next property.
