Submission: Support

Comments: We have no objections to the Shopfront . This has been installed in Grey Polyester Powder Coated aluminium frame, in keeping with other Shopfronts on the High Street which have been replaced over the past couple of years.

The signage board is a little deeper than adjacent signboards, so looks a little out of kilter.

The red line on the plan only encloses the shop area, and does not include the back of house area at ground floor. This ought to be enclosed in red or at least blue.
