Submission: Objection

Comments: The planned development will increase traffic and congestion at the 'difficult' junction to Leek Road/Station Road/Clay Lake. There are already considerable delays at busy times and I am concerned that it will reduce road safety for road users and pedestrians.

The addition of 22 new houses will inevitably increase noise and traffic on the Clay Lake Road; this road is already fast, busy, noisy and dangerous.

Generally speaking, a new housing development is out of character with the area and not suited to the peaceful surroundings.
