Subject: Planning Application number: SMD/2023/0555. Site location: The Grange, Clay Lake, Endon, Staffordshire, ST9 9DD

Dear Sirs

I write in connection to the above planning application.

Please accept this email as my formal objection to the planning application on the basis that such a development of this size is out of character and inappropriate with the surroundings. The likely occupancy levels will increase noise in what is a reasonably tranquil location and would result in increased traffic, dangerous access for so many vehicles, occupants, visitors and deliveries, both at the point of entry but also at the junction to Leek Road/Station Road/Clay Lake and will reduce road safety for road users and pedestrians alike.

Many thanks

Kind Regards

Fiona Morris
