Checkley Parish Councils decisions from meeting 16.01.2024

SMDC No	Address	Proposed Application Details	Comments
SMD/2023/0658	Quarry Walk Park, Quarry Walk Caravan Park, Coppice Lane, Winnothdale	Biomass boiler and building	The Parish council acknowledge that the Applicant further to Application SMD/2023/0660 is now seeking Retrospective Planning Permission for a Biomass boiler and building erected on site and in use from 2 August 2019 without Prior Planning permission on a site that forms part of Quarry Walk Caravan Park which is a long-established holiday park. The Parish Council however are disappointed and concerned that the Applicant is not seeking Retrospective Planning Permission for the 10 glamping pods for holiday accommodation that were erected on site at the same time and in use from 2 August 2019 without Prior Planning permission. Checkley Parish Council are therefore of the opinion that in this instance the Application should be required to submit a revision to this Application or a further full retrospective Planning application for the Development of 10 glamping pods for holiday accommodation.
