SMD 2023/0555

Dear Sir or Madam,

Reference the Erection of 22 Houses
on the Grange Clay Lake Endon.

On behalf of myself and many Residence of
Brown Edge. We strongly Protest To this Plan
being Past.

Many Children attend the School at Endon,
If this plan is past, it will increase the
Volume of Traffic on Clay Lake, and also
through our Village, which could endanger the
Children and the residence of Brown Edge.

As you know the junction onto Leek Road
from Clay Lake is always very busy, it will
not only affect the Childrens safety, but also
the Residence of Brown Edge, getting to the
Doctors surgery the Pharmacy, and the Village Hall

Please take all these things into consideration.
