- Shared Access ———

Plan Produced for: LK Architecture ltd
Date Produced: 11 Jan 2024

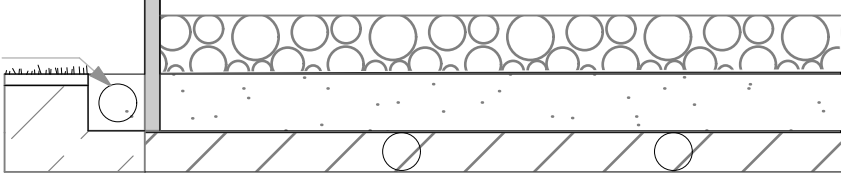

Post and rail
boundary.
See Detail

Proposed Menage Plan
Scale 1:200

40mm x 400mm pressure
treated timber retaining
boards sitting on crushed
stone layer

100mm perimeter drain
with filter sock.

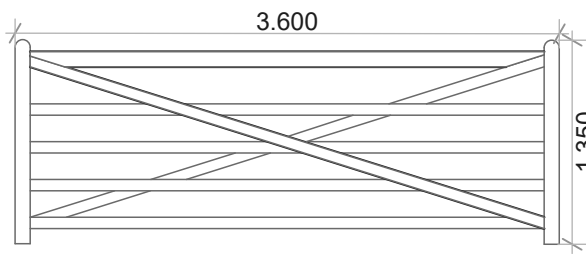

Strip the earth back to clay,
lay a herringbone pattern of
100mm twinwall perforated
drains covered with a filter
sock, trenched into the clay.

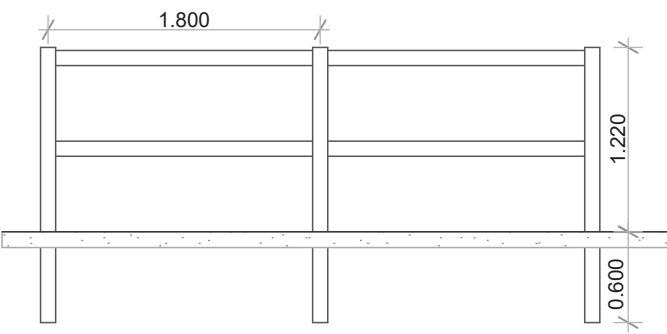

Non-Woven geo textile
membrane Over the whole
area, followed by 150mm
depth of clean stone.

Woven membrane over this
layer, followed by 150mm of
Cushion Track Surface –
sand, fibre and wax blend.
